ORDER

On August 10, 2011, the court granted R.M.S. Titanic, Inc.'s ("RMST") Motion to Seal Slides from the Titanic Mapping Project, which were admitted into evidence at the June 30, 2011, hearing. ECF No. 349. The court found that less drastic alternatives to sealing Slides 14, 15, 16, 22, 24, 25, 26, 30, and 32 were not feasible, and directed they be filed "under seal for a period of five (5) years from the date of this order, pending further order of this court." Id. at 3.

The court has reviewed the slides at issue and the reasons for filing them under seal. The court FINDS that the slides no longer need to be so maintained. Accordingly, the court DIRECTS

the Clerk to unseal Slides 14, 15, 16, 22, 24, 25, 26, 30, and 32 from the Titanic Mapping Project demonstrative exhibit admitted into evidence at the June 30, 2011, hearing. Absent further order of the court, said slide exhibits shall be unsealed effective August 31, 2016.

The Clerk is **DIRECTED** to send a copy of this Order to counsel for RMST and Kent P. Porter, Assistant United States Attorney at Norfolk.

IT IS SO ORDERED.
